MEMORANDUM FOR THE RECORD

SUBJECT: Classification and Compensation Act of 1979

STAT

1. On 9 February 1979 the undersigned received a call from Hilda Schreiber, OMB Legislative Reference, with regard to subject proposed legislation. Hilda - having just returned from leave - was returning a call placed earlier in the week by the undersigned and [redacted] of this office.

2. I informed Hilda that [redacted] and I had been recently in contact with Nannette Blandin, OMB, who informed us that subject legislation had been passed along to Hilda Schreiber for review and development of Administration views based on comments received from the various Executive Branch departments and agencies.

STAT

3. Hilda informed me that as of now the bill is going nowhere. According to Hilda the proposed new Chapter 50 to Title 5 U.S.C. has caused such a stir that it may be radically changed or dropped altogether. She reiterated that we should have no concerns for our equities at this stage since the bill is not moving; as soon as anything develops Hilda promised to call us immediately.
